

## Broomielaw Quay / IFSD

Capella Group have lodged plans with Glasgow City Council to create a stylish new £10m restaurant quarter on the waterfront adjacent to the International Financial Services District www.ifsdlglasgow.co.uk and the Tradeston "Squiggly" Bridge. Once completed, the 32,000 sq ft pavilion-style development will house a series of bars, restaurants and cafes on the banks of the River Clyde at the Broomielaw. This new leisure quarter is expected to create up to 150 jobs and compliment the longer term development aspirations of the Clyde.

**Location** Broomielaw / city centre Glasgow

**Current Status** Planning application submitted May 2011. Construction likely to commence early 2012

**Partners** Capella Group and Glasgow City Council

**Cost** £10m

## Riverside Museum

The new Riverside Museum besides the Clyde at Kelvin Harbour, provides an exciting new home for Glasgow's transport collection and replaces the Museum of Transport previously located at the Kelvin Hall.

This stunning new building with more than 3000 objects on display was designed by much-acclaimed architect Zaha Hadid. Costing £74m, it was funded by Glasgow City Council, the Heritage Lottery Fund and a £5m Public Appeal. Admission is free. Moored outside is the 19th-century Clydebuilt Glenlee Tall Ship which costs £5 entry for adults.

**Location** 100 Pointhouse Place, Glasgow, G3 8RS

**Opening Hours** 10am-5pm Everyday except 25&26/12 and 1&2/01

**Contacts** 0141 287 2720 or www.glasgowmuseums.com/riverside

## Clyde Fastlink

Clyde Fastlink - rapid transit "tram on tyres" buses (articulated buses / halts every 500 metres). Phase 1 - City centre to SECC on the north bank and over the "Squinty" Bridge to the Southern General in Govan. Phase 2 to Glasgow Harbour and eventually Clydebank and Braehead.

The Scottish Government have pledged some funding for this project and are in discussion with Strathclyde Partnership for Transport and Glasgow City Council about routes and costings.

**Location** Glasgow city centre to (Clydebank and Braehead)

**Current Status** Planning approval granted July 2006 / funding applications progressing

**Partners** SPT, Glasgow City Council, Scottish Government and West Dunbartonshire Councils

**Cost** (Phase 1 £42m to £60m depending upon route chosen)

## "Classroom on the Clyde / Sightseeing"

School children are the workforce of tomorrow. So Clyde Waterfront has agreed a special rate of £300 for schools to take a 2 hour river trip on Clyde Marine Services' MV Cruiser from SECC to Clydebank return. The MV Cruiser is equipped with materials explaining the regeneration and heritage of the upper Clyde plus an audio commentary, to bring to life for pupils Clyde Waterfront's 200 free lesson plans www.clyde waterfronteducation.com

**Location** upper Clyde from SECC pontoon, via Braehead to Clydebank

**Current Status** school trips April to Oct (book with Clyde Marine Services 01475 721281)

**Cost** Schools rate of £300 per trip = £5 each if more than 60 pupils

# Examples of Clyde Waterfront's 250+ developments

- **1 vision**  
"to develop a thriving, vibrant River Clyde with people and communities at its heart"

[www.clydewaterfront.com](http://www.clydewaterfront.com)

Clyde Waterfront is a strategic partnership comprising the Scottish Government, Scottish Enterprise and Glasgow City, Renfrewshire and West Dunbartonshire councils.

### Shipbuilding Titan Crane

The Titan Crane was refurbished for £3.5m and opened in 2007 as a visitor attraction for its 100th anniversary. Visitors can take a lift to the top of the 150 ft crane, walk along the jib, visit the wheel house, marvel at the views and via modern IT even go back in time to learn about John Brown's shipbuilding.

**Location** Garth Drive off Cart Street, Queens Quays, Clydebank G81 1NX  
**Season** end of April to early October Fri, Sat, Sun & Mon 10:00 -16:00 (open every day July & August - booking recommended)  
**Contacts** 0141 952 3771 or www.titanclaybank.com

### Sailing River Trips

The Waverley is not only the world's last sea-going paddle steamer but also one of its most photographed ships! Built on the Clyde in 1947 and originally only intended to sail between Craighendarran and Arrochar, she is now famous around the world for taking passengers for a sail "Doon the Watter!" In 2003, the Waverley was restored to her 1940s former glory, allowing her to sail the Clyde, Thames and Bristol Channel. On

board facilities include a self service restaurant, tearoom, 2 licensed bars, a heated observation lounge and a souvenir shop.  
**Location** (office) Waverley Terminal, 36 Lancefield Quay, Glasgow G3 8HA  
**Season** May to October (approx - see schedule for itineraries / bookings)  
**Contacts** 0845 130 4647 or www.waverleyexcursions.co.uk

### Science Glasgow Science Centre

Glasgow Science Centre is one of Scotland's must-see attractions. Its futuristic looking buildings contain the Science Mall - 3 floors of hundreds of interactive science exhibits, an IMAX cinema with a screen the size of 5 a side pitch and a 2 1/2 minute ride to the top of the 100m high Glasgow Tower. As a Charity its mission is to promote

science and technology through thought provoking, fun and exciting experiences.  
**Location** Glasgow Science Centre, 50 Pacific Quay, Glasgow G51 1EA  
**Opening Hours** 362 days a year (closed 25&26/12 and 1/01) 10am-5pm  
**Contacts** 0871 540 1000 or www.gsc.org.uk
